

# Zoetrope Animation Cards

For the Zoetrope you need paper animation cards which can be of any animation that you like. Have fun, test and play! Simply print the example animation cards or use the blank template to create your own rocking story. What kind of cool, epic and adventurous animations can you come up with?!

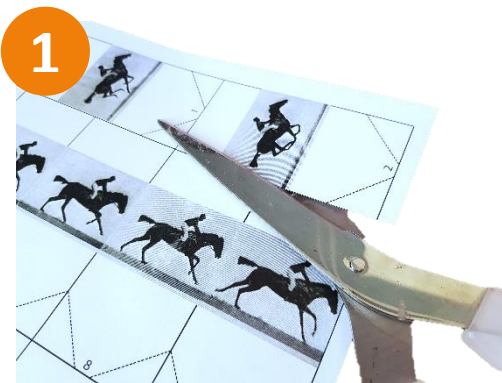

## Important:

Make sure you print the animation cards in 100% scale.

The final measurements of one card should be 4 cm (1.57 Inch) x 8 cm (3.15 Inch).

Get these Zoetrope animation cards at: <https://pv-productions.com/product/zoetrope-42082-building-instructions/>

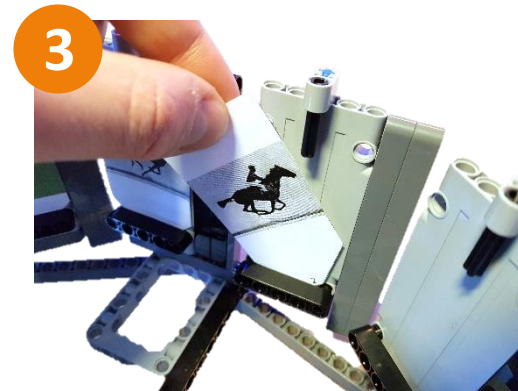

Follow the steps below to make the animation cards and put them in the Zoetrope holders.

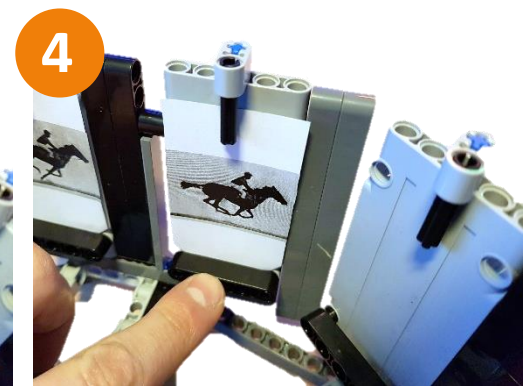

Cut out the animation cards

Fold over the dotted lines

Put the cards in place  
Clockwise (1 – 16)

Clamp the cards
